Personal history

High Priest Brawnbeard was High Priest of Prathia for eighteen years, after the sudden passing of the previous high priest. Though he was very dedicated to fulfilling his duties as High Priest, he did little to hide his distaste of those not committed to the Angels of Iron. It was his personal hand that has escalated the rooting out of smaller cults, unaffiliated with the Angels. In 843, Gulrig was killed by Darren Brawnbeard during the funeral of Joi Douglas. The body was returned to Kharnedur, resurrected, put on trial and then entombed forever within the walls of the fortress for his crimes against the Brawnbeard family.
